Department of Organization and Personnel	GIG	Amending, supplementing Decision No. 1503/QD-BTP dated 19 June 2013 of the Minister of Justice on issuing the Regulation on assignment and decentralization of management of civil servants and employees in non-business units of the MOJ.	WORKS HOP	Quarter II/2018	Ha Noi	x		New Regulation issued	The regulation on assignment and decentralization of management of public servants, employees and employees in the public service agencies of the MOJ has been implemented for 4 years. A number of legal documents serving as basis for the promulgation of the Regulation have been replaced, amended and / or supplemented; Some units governed by the Regulation have changed the level of autonomy resulting in the need to change the level of decentralization; The implementation of the Regulation also raised many difficulties and obstacles that need to be replaced.
Department of Organization and Personnel	GIG	Report on researching and proposing the finalization of regulations on autonomy mechanism of public non-business units in the justice sector on the basis of the results of the review of Joint Circular No. 11/2010/TTLT-BTP-BNV dated 17 June 2010	CONFERENCE	Quarter III, IV/2018	Da Nang	x		Report	Joint Circular No. 11/2010 / TTLT-BTP-BNV is an important legal basis on autonomy and self-responsibility of finance, performance of tasks, organizational structure, public service (from central to local). However, during the implementation of the Circular, many obstacles and inadequacies have arisen, especially that the basis for promulgating the Circular, which is Decree No. 43/2006 / ND-CP, was replaced by Decree No. 16/2015 / ND-CP. Therefore, many contents of the Circular are no longer appropriate with current regulations on autonomy mechanism of non-business units. Therefore, it is necessary to study

									and propose the draft Circular replacing Joint Circular No. 11/2010 / TTLT-BTP-BNV to improve the legal framework for financial and financial autonomy. The tasks, organizational structure and payrolls of public non-business units under the State management scope of the Ministry of Justice.

Committee for the Advancement of Women in Justice Sector	GIG	To raise awareness and raise the capacity of the Committee for the Advancement of Women and the agencies and units under the Ministry and the Judicial Branch. Raising awareness and building capacity on the CFAW of the agencies and agencies under the MOJ and judicial sector	CONFERENCE	Quarter II/2018	Ha Noi	x		02 training workshops are organized	In 2017, the Government issued a decree replacing the Decree on the functions, tasks, powers and organizational structure of the Ministry of Justice (replacing Decree No. 22/2013 / ND-CP). Therefore, the system of CFAW of agencies, units under the Ministry, the justice sector will also have changes according to the changes in functions, tasks and organizational structure of the units of the Ministry. Many CFAWs have changed the head and the permanent secretary but have not been trained in gender equality and operational skills. In addition, the results of the 10-year review of the Law on Gender Equality show that the awareness of a part of civil servants on gender equality has not been comprehensive, even a mistake between gender and sex. Therefore, to overcome the shortcomings of the past time, and to ensure the implementation of the Law on Gender Equality and the programs and plans on gender equality of the sector to achieve

									results, the Judicial Committee of the Judiciary need. continue to improve the awareness, operational skills for CFAW.

Institute of Law research	GIG	Study international experience on methods of assessing compliance costs	Research	###	Nationwide	x		Report on international experience on methods of assessing compliance costs.	One of the objectives of the GIG project is to improve the effectiveness of judicial activities, to increase the overall participation of the target groups in the society. To achieve that goal, it is required that the subjects strictly follow the law, however, if the costs of compliance with this law are so high that it will affect growth, the economy as a whole, and In the end, the policy holder does not want to adhere to measures, which means that the purpose of the policy is not met. Therefore, the policy and regulatory body, whether it is a law or a law, must conduct an assessment of compliance costs within the scope of the overall cost-benefit analysis to ensure that net benefits are met. was the biggest. Consequently, compliance cost assessments are necessary to ensure that new policies are in place to best benefit the business and community and to study international experiences in some methodologically insane countries. Compliance cost assessment is necessary (for example: Currently, compliance cost analysis, standard cost model (SCM) of the Netherlands is widely applied in Europe, Australia. and New Zealand ...)
